**Barum class learning**

We've had a very busy and exciting week in Barum class.
On Monday we were very lucky to have an impromptu visit from the M&M theatre company to watch a performance of The Wizard of Oz.

On Wednesday the year 3 children took part in their first cross-country run at park school. We were so proud of them all for taking part and giving their best, well done to Marnie and Fred who came first in their groups.

On Thursday we celebrated Harvest at the church, the children enjoyed singing songs and sharing some fantastic poems and learning they have been doing about Harvest. Thank you for your kind donations of food and to the parents that volunteered to help with walking the children to the church.

In English, we have started our shared write innovating the story of 'Grendel' using all the new skills we have been learning.

**Home Learning:**
What signs of Autumn can you see where you live? Maybe you can see leaves changing colour, apples on trees, acorns on the floor or a pumpkin in the supermarket! Create a picture showing the signs of Autumn you have spotted.
In addition, we thought some of you may like to enter the BBC 500 words competition - "Write a story you would love to read". These can be submitted on the BBC website here: How to submit your entry. The deadline is Friday 7th November.

**Reading:**
Thank you to those of you who have logged your child's reading on Boom Reader. If you have logged 5 reads this week, your child has received a class merit and sticker to add to their reading folder 😊 The whole school expectation is that parents support their child to practising reading at home **five times per week**. This could be 5-10 minutes of reading, five times across the week. Thank you for your support. Please follow Parents | BoomReader to download the app.
