

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Saunton home learning - 10/7/2026

This week in English we have been writing our own information leaflets about the Mayan city Chichen Itza. In maths, we have been learning how to calculate the perimeter of different 2D shape. In science, we have been learning how water is transported in a plant and in art we have started our final pieces.

Home learning

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Please check your child's book bag for any school books and please return them to school.

Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.

If you're into...

Football

...READ into it!
