Lundy home learning - 07.11.25

It has been lovely to welcome our class back to school this week. We have been learning to multiply and divide decimal numbers in maths. In English, we have been learning our new text, *Lesser Spotted Animals*. In DT, we have begun our new sequence of learning on chutney - we will be making some as our final piece of work, so please could you save a glass jar & lid for your child and send it into school. There is no rush for this - we won't be finished until the middle of December! In history, we finished looking at the impact of pirates on North Devon and England, and were able to understand a range of historic sources.

Homework

Your homework is to create a small poppy to link together to create a whole-class wreath.

TT Rockstars

We have a new competition and are currently in the lead! Please keep practising as much as you can.

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
