

Home Learning - Pirates!

This week we have continued with our Under the Sea topic and have started learning about Pirates!

- We have created our own pirate hats and measured them carefully to fit our heads.
- In PSHE we talked about how we are feeling about going to Tarka Class, what things we are looking forward to, excited about and are worried about.
- The children enjoyed a fantastic Transition Visit to Year 1 Tarka Class, they met Ms Burnell and explored the classroom and were beautifully behaved.
- We imagined what it might be like to travel on a pirate ship, we wrote a list of jobs that a pirate might need to do before setting sail!
- In PE we had great fun taking part in team games and relay races.
- In Maths we practised calculating the number one more or one less than a given number.
- Thank you so much to everyone who was able to join us at our Early Years Sports Morning, the children loved sharing this experience with you.

Home Learning Task:

We will be holding a pirate day on Friday 17th July. During the day the children will take part in Pirate themed activities in class and in the garden. In Preparation for this please could you make a pirate costume. We do not expect you to buy a costume, see what you can create for free! A stripy t shirt and shorts is a great start! Maybe you could make a hat, parrot or flag?

We will be making pirate treasure boxes in class, please could everyone bring in a small box that can be used for this, an egg box or cat food box is perfect!

We will be collecting all reading books in next week, please check at home and see if you have any books belonging to school and bring them in thank you .

We hope you have a lovely weekend,

Mrs Paul, Mrs Clark and Cheryl.
