Lundy home learning - 13.02.26

Lundy Class have been AMAZING this week! They have done really well in their practise SATs papers, fuelled by lots of hard work (and a few custard creams!). In geography, we learned about how the world is split into different time zones, and investigated this using webcams from across the globe. In PE, we performed our dance to *I Feel Better When I'm Dancing* to the whole school - the children's growth in confidence has been fantastic to see!

Homework

Thank you year 6s for embracing the challenge of our SATs buster booklets! As we go through these each week on a Friday morning, please bring your books in each Thursday so that they are ready & you have one more evening if you forget! This week, please complete Set A - Test 4 from each booklet.

Times Tables

Some children are finding it tricky to recall their tables facts, and this is making it difficult for them to solve fractions problems. Please could you help them to practise these - they could use:

- TT Rockstars
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support. I have given the logins for this app to all children who had previously lost their login.
