

28.03.24

This week our focus topic has been 'Easter'. We have read books such as, Hot cross bunny, five little chicks and Spots first Easter.

Activities this week at pre-school:

- On Thursday the children did an Easter egg hunt in the pre-school garden.
- On Tuesday we had a lovely day trip to the Honey Farm. Thank you to any parents who came on the trip and helped.
- Painting Easter eggs using cotton buds. They enjoyed making dot shaped patterns on their eggs.
- Water tray activity - The children played with plastic Easter eggs in the water. They rolled them down pipes and picked them up with different utensils.
- Easter shop! The children played in an Easter themed role play area. They had Easter bunny ears, egg boxes, toy chicks, toy bunnies, Easter eggs etc.
- The children played with mini chicks. They had to find and pick them out of the pretend grass.
- The children decorated lots of Easter eggs using different craft materials.

Important information

- Lou is starting an exciting new job at Petroc after the Easter holidays. Her last day with our pre-school team will be Thursday 28th March. We are appointing a new member of staff but in the interim you will receive an email regarding your child's new key worker.
- We are trialling a new way of sending home the children's lovely artwork. We are going to send home the children's work at the end of each term. This will also include any observations and photos from the term. We feel it will be nice for parents to look through the folder with their child and see what they have been getting up to.
- Please send in any photos of the children enjoying Easter activities from previous years to share at circle time.

- Send in any WOW moments for the children or photos of experiences from their half term to: pre-school@bishopstawton-primary.org.
