Head of School: Karen Lintin

Exmoor Home Learning - 27.2.26

We have had a great first week back, the children are enjoying familiarising themselves with our new English text; *The Tear Thief*, they did some great acting when learning the story. In maths, we have been learning how to use protractors to measure different angles. The children thoroughly enjoyed the cricket workshop they did on Friday. In Geography we learned about time zones and time differences, the children used their atlas skills to work out the time differences in different countries.

Class notices

Forest School is every Wednesday and PE is every Thursday.

Home learning:

Reading

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Cricket workshop

Inspired by the cricket workshop we had this week have a go at the 60 second wall ball challenge below. See if you can improve your catching score throughout the week.

Wall Ball 60 Second Challenge

Which skills do you think are needed to enable you to succeed?

How many times can you throw a ball against a wall and catch it in 60 seconds?

You must stand two steps away from the wall. If you drop the ball, carry on counting your score from where you left off.

Achieve Gold
40 throw and catches

Achieve Silver
30 throw and catches

Achieve Bronze
20 throw and catches

You need a ball and a wall! If you do not have a ball, use a rolled up pair of socks.

Don't drop it! Each time you drop the ball take five seconds off your time!

With a partner, throw and catch the ball against a wall. What medal will you and your partner achieve?
