

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Lundy home learning

Well done Y6 - a super effort by all of you with your SATs. Whatever your results, you can be super proud of yourselves as you couldn't have tried any harder! I am very proud of you - as are all the other adults that have worked with you this week.

Y5 children have been great helpers in other classes for some of the time this week - all the teachers have commented on how sensible and helpful they have been.

We have been learning about countries and capital cities in Europe - focusing on where Greece is for our topic learning. Y5 children have begun to make their prototype of their bag in DT. The children have planned their independent suspense stories, and they are ready to write next week.

Y5 & 6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Y5

**Revise your 7 times tables - test next week, with division facts!
You did well with the tables part of the test this week, but need to work on the division facts.**
