Exmoor Home Learning – 6.11.26

The children have had a good first week back, we have had to remind ourselves about the noise level in the classroom. In English, we have started our new sequence based on the book; Secrets of the Stone Henge. In maths, we have been working on column subtraction specifically using decimal numbers. In art, the children sketched a portrait of a famous person, using what we have learned in our lessons so far.

Class notices

PE is on a Thursday, please wear your PE kit.

Home learning:

Topic

Find an interesting scone recipe and copy it down in your neatest handwriting and bring it in to share with the class.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Please log 5 individual reads on one of the boxes in the reading records, an adult must sign to confirm it has been done. Thank you for your support.
