

## Home Learning - Week 16

This week we have been reading the traditional tale 'Little Red Riding Hood'.

This week we have...

- Learnt the sounds ar, ur, or, and learnt how to read and write CVC words using these sounds.
- Thought of describing words to describe the wolf and have written a WANTED poster to warn other people of him.
- Talked about repeating patterns, AB patterns, described what patterns we can see, continued repeating patterns and have created our own.
- Learnt how to attach materials together using split pins in the making area and have made baskets for Little Red Riding Hood.
- Enjoyed following instructions to bake cakes.

### Notes/Reminders:

PE - PE will be on Tuesday, don't forget to wear your PE Kit to school.

### Home Learning Task:

**Reading** - Well done to everyone who read at home last week, we are so pleased that even more children read, thank you to the grown ups who are supporting their children's learning. Keep going, maybe even more children will read this week!

**The RSPB - Big Garden Bird Watch** - Spend time in your garden, a park, or in the countryside, what birds can you see? Record them on the bird spotting sheet in your bookbag.
