

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Exmoor Home Learning - 7.2.25

We have completed our final writing pieces based on various inventions, the children have done a wonderful job at using the skills we have learned over the sequence. In maths we have been looking at decimal numbers and their equivalence to fractions, it has been challenging but all the children showed fantastic perseverance! We have had a lovely time celebrating Children's Mental Health Week, we made a collaborative piece of art based on our goals and aspirations for the future. We also took part in the RSPB schools birdwatch.

Home learning:

Children's Mental Health Week

We have been learning about Goals, Resilience, Owing your Emotions and Well-being. Create your own Feelings wheel - see the file called 'Feeling's Wheel'. Either print it off or draw your own and bring into school

Times tables

Please continue to practise all your times tables up to 12.

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.
