Saunton home learning - 31/1/25

This week we have been exploring our new text in English called 'paint me a poem'. In maths, we have working on place value and the year 4's have started looking at negative numbers. In science, we have used our understand of states of matter to make butter and oobleck.

Home learning

Chinese New Year

As it is Chinese New Year, find out about the year you were born linked to the Chinese Calendar. Read through the information on the following web page:

(This can count as one of your weekly reads!)

<https://www.kids-world-travel-guide.com/chinese-new-year.html>

Try to answer these questions:

- How is the Chinese New Year different to the UK new year celebrations?
- How is each of the Chinese years named?
- What do Chinese families do at Lunar New Year?
- What colour has special importance for the Chinese at Lunar New Year?
- What happens on the final night?

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Times Tables

Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 and 7 times tables. If you have done this, please learn and practice your 9 times table and your 12 times table.

Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table. **If you have completed all of these continue to practice all of your times table.**
