Head of School: Karen Lintin

Lundy home learning - 10.10.25

This week, our class participated in the year 6 cross country tournament at The Park Community School. They really impressed the adults with their determination and support of their peers! We are pleased to say that for year 6, the 1st, 2nd and 3rd place boys, and the 1st place girl, were all from our class! In English, we have been writing our class Secret Garden stories. In maths, we have explored algebraic equations using Cuisenaire rods. In science, we have been writing the script for a Newsround-style report on how a balanced diet affects our body.

Home learning

1. This week, please log on to TT Rockstars as much as possible - we have a new battle underway with year 5!
2. In preparation for forest school, make a poster about a life cycle of any creature found in our school grounds.

Reading

This week, please log on to Boom Reader - we have around half our class now regularly accessing the app, which is fantastic! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.
