Head of School: Karen Lintin

Exmoor Home Learning - 13.3.26

We have had a great week learning about lines of symmetry and reflection of shapes, the children used lots of resilience and perseverance. In English, we have looked at prepositional phrases and modal verbs and how they are used in our story. The children had great time practising tag rugby skills and working as a team. In Geography the children used their atlas skills to locate which climate specific countries are in and why there is snow on top of mountains in hotter countries.

Class notices

Forest School is every Wednesday and PE is every Thursday.

Home learning:

Reading

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

World Book Day

Continue you with your book bingo! We can't wait to see your results!
