

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy home learning

This week has been Mental Health week in school. We have been focusing on how kindness can help our mental health as it makes us, and others we are in contact with feel happier. We have been doing a Kindness 'Scavenger Hunt' - see the class blog for a photo of this. Y5 children have been creating flags to add to a school 'bunting' for the hall.

In English, we have been finding out about the introduction of the Dragonology text - we have investigated the language and conjunctions of this formally written 'non-fiction' book. Our maths learning has focused on ratio and proportion - we have been solving word problems using this. We have continued our group compositions based on 'Winter' by Vivaldi - the children have been composing short motifs to represent different 'Winter' ideas/feelings. In art we have been creating compositions using cubes - we have thought about placement, colour and levels.

Y5 Home Learning

Reading

CHALLENGE YOURSELF!

- Read a chapter book over the holidays and write a book recommendation to recommend the book to the children in your class

Y6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Learn your 7 times tables - I have set Times Table Rock Stars to help you practise this one and to continue remembering your 8 and 9 times tables.

Complete the following pages of your SATs books:

English Comprehension - pages 18 and 19

Maths Reasoning - pages 27 and 28

Arithmetic - pages 14, 16, 17 and 42

Grammar, Punctuation and Spelling - pages 14, 15, 52 and 53

Keep going with the home learning - you are stars!
