

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Lundy home learning

We have been learning about the Olympic Games - comparing the Ancient Greek to the modern games. In maths, the Y5 have been improving their understanding of dividing and multiplying by powers of 10 and solving word problems which involves this. In English, the Y5 children have begun writing their own information texts about an important time in their lives. Some more children have completed their DT bag project - please see the BLOG for photos.

The Y6 children had a super day at The Big Sheep for their leaver's trip, while later in the week, the Y5 children had a great transition morning with their new class.

Y6 Please remember there is swimming on Monday. Please come to school wearing your normal uniform with PE trainers.

Y6 Athletics Festival on Wednesday - wear PE kit with leavers hoodies.

Y5 & 6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Y5 and Y6

Revise your 7 and 8 times table, especially focusing on related division facts e.g. how many 7's in 49? How many 8's in 64? etc

Topic - History/Greek Legacy

Find out about the Olympic event - the pentathlon.

What is the history of it?

What sports are in the pentathlon? What order are they in?

Who are the current Olympic Champions for this event? Which country are they from?
