

Home Learning - Week 27

We can hardly believe that the children have completed their second term in Codden Class, time is just whizzing past. This week we have continued to learn about how Christians Celebrate Easter. We have...

- Been on a spring walk around the school site looking for signs of spring. We decorated cardboard Easter Eggs with natural objects that we found on our walk such as leaves, stones, petals, flowers and buttercups.
- We listened and followed instructions to make chocolate Easter Nests.
- We learnt about the tradition of egg rolling, we decorated hard boiled eggs and had great fun rolling them down the slope in the EYFS garden.
- We have continued to make observations how our seeds are growing and have noticed what is changing, some of our bean seeds are beginning to shoot.
- In Letters and Sounds we have recapped all of the sounds that we have learnt so far and have been working hard to write captions using what we know. We have worked hard to learn the tricky words: they, are, all.
- We enjoyed an amazing trip to Quince Honey Farm, the children all behaved beautifully and found out so many interesting facts about bees! Don't forget to check our class blog to see the photographs.

Home Learning Task:

Keep practising your letters and sounds and reading your reading book over the Easter Holidays!

When we return to school after the Easter holidays we will be learning about minibeasts. We would like to make some Bug Hotels. Please could you collect and bring into school... cardboard tubes, sticks, bamboo canes, little stones, pine cones etc.

Notes/Reminders:

Parents you may be interested in listening to Dr Maryhan's pod casts, there are so many to choose from but full of useful advice. Here is a link to one entitled surviving the school holidays!

<https://drmaryhan.com/episode/ep-058-school-holidays-beyond-surviving/>

Wishing you a fun filled Easter break,

Ms Burnell, Mrs Paul and Cheryl.
