Lundy home learning - Easter holidays!

I have been so impressed with how AMAZING our independent writing is getting this week! The children's pieces are almost ready to be displayed on our washing lines, and they are (rightly!) really proud of them. In maths, we have learned how to interpret pie charts this week. In music, we will be using a range of instruments to perform a piece at the end of the week.

Georgeham reminder

Our first day back is the first day of our residential 😊 drop off is 10am at the centre please.

Homework

Thank you year 6s for embracing the challenge of our SATs buster booklets! As we go through these each week on a Friday morning, please bring your books in each Thursday so that they are ready & you have one more evening if you forget! This week, we are on:

- SPAG: Set C, Test 2
- Reading: Set B, Test 4
- Maths: Set B, Test 5

Times Tables

Some children are finding it tricky to recall their tables facts, and this is making it difficult for them to solve fractions problems. Please could you help them to practise these - they could use:

- TT Rockstars
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practise reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support. I have given the logins for this app to all children who had previously lost their login.

PE day

Our PE day is now Friday.

Have a great holiday!
