

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Saunton home learning

This week, we have begun writing our non-fiction text about dogs and have practised using conjunctions to extend our sentences. In maths, we have been learning the value of decimal numbers. In Science, we learnt about seed dispersal.

Home learning

Your homework is to decorate a wooden spoon of your favourite book character to enter the competition on World Book Day. As well as this, you will need to research facts for a **wild** animal of your choice. You will need facts about:

- General facts e.g. number of species, etc.
- Diet
- Habitat
- Special characteristics e.g. camouflage.

Reading

We expect everyone to be reading for at least five minutes a day and record this in their yellow reading journals.

Maths

In preparation for next week's maths learning, practise telling the time at home.

PE

Our PE day is Wednesday. Please ensure long hair is tied back and jewellery is removed for PE days.
