Saunton home learning – 6/11/2026

This week in English we have been immersing ourselves in our new text 'Gregory Cool'. In maths, we have been creating arrays to represent numbers in different ways and writing the corresponding multiplication number sentence. In science, we have been learning about how humans and animals use sound. In art, we have been creating our final pieces inspired by David Hockney.

Home learning

This term in DT we will be cooking our own savoury scones, so for homework this week please find a savoury scone recipe that you like.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 5 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please use your times table rockstar login and have a go at using it to help practise your times tables.

Reminder- times tables rockstars is deactivated at 8:30pm, this is a restriction set by times table rock stars not the school.
