

Home Learning - Week 18

This week we have continued to learn about the Lunar New Year and have also explored children's mental health week.

- In outdoor learning we went bird watching and watched carefully to see if any birds were eating the bird feeders that we made last week.
- In PE we completed our whole class dance about the four seasons.
- In Letters and Sounds we learnt the digraph 'er' and the trigraphs 'air', 'ear' and 'ure'.
- In Maths we have continued work on identifying, extending and creating patterns and explored patterns that are in circles and squares. We went on a pattern hunt around school and tried to find examples of pattern in the environment.
- We enjoyed a Lunar New Year feast and enjoyed talking about the food that we liked/disliked. Lots of children were really brave and tried something new!
- Thank you so much to the parents who donated cakes and books for the School Council sale, the children loved it!
- Thought about 'What makes me, me...' for children's mental health week. We all loved the story 'Would you rather?' You might like to watch it read here?

Notes/reminders...

PE - PE is on Tuesday please remember to come to school wearing your PE kit.

Headlice - We have had a case of headlice in class and would like to ask all parents to take time to check and if necessary, treat their child's hair to help minimise the spread.

Wishing you a fun filled half term!

Ms Burnel, Mrs Paul and Cheryl.
