

Home Learning - Week 23

This week we have based our learning about Spring on the book 'That's My Flower'. We have ...

- Looked at our cress seeds and talked about how they have changed since we planted them.
- Explored 2D shapes, we have looked for them in the environment around us, investigated which shapes can be made using lolly sticks and match sticks and played shape bingo.
- Written Mothers Day Cards and thought about why our Mummy's are special to us.
- Made careful observational drawings and paintings of Spring Flowers.
- We have learnt all of the Phase 3 sounds now. We will spend time going over them all and develop our confidence at reading and writing CVC words containing them. This week we have recapped ai, ee, igh, oa.
- Enjoyed a fun taster session of Tennis run by Tarka Tennis.

Notes/Reminders:

PE - PE will be on Monday, don't forget to wear your PE Kit to school.

Uniform - A gentle reminder - Please could everyone remember to wear their school uniform/ School PE kit to school.

Woolley animals - Don't forget it is our trip to Woolley animals on Tuesday, it is forecast to rain so please wear warm, waterproof clothes as we will be going whatever the weather. Remember to wear your school jumper, warm clothes, wellington boots, waterproof coat, hat, gloves (if cold), bring your lunch (unless having a school packed lunch) and a drink in a named backpack. Please speak to a member of staff if you have any questions.

Toys/Cards - Please may we remind everyone that toys and cards (football/Pokemon type) are not permitted in school as they can cause upset to other children who don't have them and they often get lost.

Home Learning Task:

This week we have been learning about 2D shapes. Go on a shape hunt around your house, what 2D shapes can you find?

Play the Shape Pattern Game: <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

Have a lovely weekend, Mrs Clark, Mrs Paul and Cheryl.
