Head of School: Karen Lintin

Exmoor Home Learning - 14.3.25

We have had a lovely week immersing ourselves in our new book; *Cinderella of the Nile*, for our English sequence, the children enjoyed noticing similarities and differences between our story and the traditional Cinderella tale. In maths, the children have worked hard on adding and subtracting fractions, we enjoyed doing some outdoor maths. In science, we have been investigating the water cycle and created a water cycle in a bag. All the children enjoyed watching the Talent Show today, the children who took part were all wonderful and very brave!

Class notices

Please can we ask that Stanley style cups are not bought into school as they often tip over and cause a mess. Please ensure your child has a bottle with a closable lid.

Home learning:

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

English

See if you can find any alternative versions of the story of Cinderella and note down the similarities and differences to *Cinderella of the Nile*.

Year 4 times table test

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.
