

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Barum home learning

This week in English we have been amazing authors and have written our own stories about an animal who has lost something, based on the story 'Augustus and his Smile'. We have worked really hard on our writing to include; noun phrases, verbs in the past tense, superlatives to describe the place the character visits and the conjunction 'but' to add more information to our sentences.

In Maths, we have been recognising, ordering, comparing and adding coins.

This week in Geography we have discussed what happens in each season, we have talked about the type of weather to expect and what changes happen in nature in each season.

In ICT we have enjoyed taking photographs with the iPad's, we have explored how light affects the photograph, learning how to choose the best lighting for a photograph. In Art, we practised sketching tropical flowers and used watercolour to add colour to our sketching.

Home Learning

Over the next couple of weeks, we will be starting to paint our Henri Rousseau inspired artwork. Again, we will be using acrylic paint which will not wash out of clothing. So, please can you send in an oversized shirt or T-shirt to protect the children's school uniform. For this week's home learning please choose a jungle animal you would like to add to your scene. If possible, print off a picture to use in class, don't worry if you can't print you can email your image to families or we can help you choose one in class.

PE

Our main PE day is now on **Thursday**, please could the children come to school in their PE kits on **Thursdays**.

Reading

We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
