

28th April 2023

This week we have been learning all about royal things and the King's coronation.

This week the children have:

- Read 'King Charles colourful Coronation' and 'Where's Mr King?'
- Painted a flag for the coronation. They used red/blue paints and tried to copy the picture of the flag. Some of the children tried to cut them out independently as well.
- Cut out crowns with numbers on them. The children then lined themselves in order from 1-10 with their crowns on.
- Looked at self-portraits of the king. The children then painted their own self portrait. They looked in the mirror and talked about their different facial features.
- Played a sensory touch and feel game. The children had to try and match the texture on the game board to one they could feel in the bag.
- Used the numicon to build a royal castle. The children counted numicon 1-10.
- Played with a small world London scene. The children played with taxi cabs, a double decker bus, train station etc.
- Played with a Buckingham palace/castle scene. The children used different knight and princess characters for their role play.

This term we will be focusing on 'Blending and segmenting' and 'voice sounds'. Please find attached some ideas to practice at home!

Next week we will be continuing with the same theme. If any of the children have any books about castles, knights etc. please bring them in to share!

Important information

- **Thursday 5th March - Coronation Cake Day** Next Thursday our school will be celebrating the King's Coronation with a Coronation Cake Day. If your child attends this day they may come to school dressed in red, white and blue or dress as a king, queen, prince or princess. For home learning we

are asking children who attend on a Thursday to bake cakes or biscuits and decorate them with a coronation theme. Please bring them in on Thursday morning ready for our Coronation Cake Picnic in class in the afternoon.
