

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

## Reading

Well done to those of you who managed to read 5 times this week! Can you read your guided reading book to a sibling/cousin/friend and try to use your best story telling voice? You could practice by reading to your teddies/toys.

## Barum class learning

On Monday, Barum class enjoyed the year 6 fundraising event. They had the chance to play games and buy treats. All profit is being donated to the Amigos charity.

In Music we have been learning a song called 'Friendship' and have learnt to play more notes for the song on the Glockenspiel.

We had an exciting morning on Thursday, moving to our new classrooms and meeting the teachers and adults who will be working in each class. Hopefully your child told you all about it!

The children have worked hard to complete their prints, on paper and canvas bags, for the gallery on Tuesday. They can't wait to share their work with you!

## Home Learning

It's going to be really hot this weekend, enjoy the sun safely!

Design an ice lolly/ice cream that would be perfect for cooling you down in the hot weather. What flavour would it be? Would it have any toppings? Can you think of a way to stop it from melting so quickly?

## Information

Our PE day will be on Monday. We have now finished Forest school for this year, so please wear school uniform on Tuesdays.
