

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Barum class learning

This week in English, we wrote our own information pages about an animal of our choice using verbs in the present tense, noun phrases and conjunctions. We enjoyed sharing and talking about the amazing facts we had found out about our animals.

In Maths we have enjoyed different games and activities to practise and consolidate our place value knowledge.

In Geography, we have been thinking about what clothing we would pack if we travelled to hot or cold climate, first we sorted some real clothing items then we drew the things we would take in a suitcase.

This week in RE, we have learnt about the 5 pillars of Islam. These are the five practises Muslim people do to uphold their religion. We talked about pillars holding up buildings and that they would need to be strong, we thought about the different things in our lives that make us strong, some of the children's ideas were, healthy food, sleep, our families and exercise.

Home Learning

This week I have set some maths home learning on MyMaths, you will find a personal log in password for your child in the back of your home learning book. Please let me know if you have any trouble accessing and logging on to this site. <https://www.mymaths.co.uk/>

Reading

Well done to those of you who managed to read 5 times this week! Remember, you can read your guided reading book or a book of your choice. If you are sharing a text (book/magazine/leaflet/poster/recipe/poem) and reading with an adult for 5 minutes or more, this counts as one of your 5 reads!

Information

Please note this our PE day is on Monday and Forrest school is on Tuesday; please come to school on both Monday and Tuesday wearing your PE kit, with additional forest school clothes in a bag.
