Saunton home learning - 03.10.25

This week in Saunton Class, the children have written their own stories based on our class text 'Ratpunzel' and they are fantastic. In maths, the children have finished their learning on place value and started their learning on addition and subtraction. The children also made us all really proud this week as they represented the school brilliantly at the Park cross country festival and the harvest festival.

Home learning

In preparation for our new English unit please find and read some poetry you enjoy. It would be lovely if you could bring in a poem you really enjoyed to share with the class.

Reading

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
