

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy Class

A massive well done to all of the Y6 children for completing their SATs tests this week! I am super proud of their effort and their attitude. They should all be very proud of themselves. Y5 children have worked hard at their maths, focusing on division and problem solving. In English we have been developing our punctuation skills in multi-clause sentences and using adverbials to give the authors point of view in biography writing. In history, we have been looking at symbols left by Stone-age man and have been trying to work out their meaning.

Y5 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression) or talk to your adult about what you have read.

English - find out more facts for your chosen person who you are going to write a biography for.

Maths - Learn your 6 times table for a test next week.

Y6 Home Learning

Have a well-deserved rest this week!
