Saunton home learning - 6.3.26

This week in English we have been exploring our new text the day the crayons quit. In maths, we have been learning about converting units of measure. In science and geography, we been investigating why we get day and night. Finally, the in PE we have started our new topic, tag rugby.

Home learning

Inspired by world book day last week, continue completing some of book bingo task below. Every time you read a book that matches on of the tasks you can tick it off. How many can you get done by next Friday?

Reading

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

The year 4 times table screening is fast approaching so please make sure you are getting your practice in using the website below, that is similar to the times table test, alongside times table rockstars.

[Multiplication Tables Check - 2025 - Timestables.co.uk](http://www.timestables.co.uk)

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
