

Home Learning - Week 2

What a great first full week the children have had! This week we have continued with our book 'The Colour Monster goes to school'. We have talked about our feelings, what we think, feel and behave when we experience different emotions and what we can do to make ourselves feel better. You may wish to listen to the story by following this link: [The Colour Monster Goes to School: Kids books read aloud by Books with Blue](#)

Home Learning Task:

- **Family Photograph** - A few children have already done this already but if you haven't please could you send in a photograph of yourself and the people you live with, this will be displayed in class on our family tree as a link between school and home.
- **Holiday Photos** - We love to hear about what the children have been doing at home, if you have some holiday photos that you would like us to share during our snack time please email them to: families@bishopstawton-primary.org. We can't wait to spend time looking at them over the next few weeks.
