

Tarka home learning

We had a fantastic week this week! We began the week with a visit from Past Presents, and spent the day as Victorians. We had lots of fun trying out the jobs that Victorian children would have done, including chimney sweep, shoe polisher and pick pockets. We also played with Victorian toys and experienced what school would have been like. In our English, we then wrote a recount about our amazing day.

In Maths we continued our learning on measuring, this week looking at mass. We recapped previous learning on the language used when measuring weights including heavy/light and heavier/lighter. We then measured the mass of something using cubes.

In DT we are learning to make pop up cards. This week, we painted beautiful pictures to display on the front of our cards. Finally, in RE we learnt that Christians believe that God created the world and thought about the ways that they may show thanks to God.

PE - Our main PE day remains on a **Monday**. For safety reasons, if your child wears earrings please remove them for school on Mondays, if they cannot be removed please cover the earrings with tape before coming to school.

Phonics sounds

Our focus for this week was different spellings of the same phoneme (sound) - **ch/tch** (as in chip and catch) and **m/mb** (as in mat and climb)

Home learning

In preparation for our world book day celebrations on 7th March, please decorate a wooden spoon as your favourite book character to enter into our school wide competition.

Reading

We expect everyone to be reading for a least five minutes a day.
