Head of School: Karen Lintin

Lundy home learning

Y5 children have been learning about Shackleton through an English text called 'Shackleton's Journey'. They have looked at multi-clause sentences and thought about how the text and pictures convey the feeling of isolation. In history, we have looked at Ancient Greek Gods /temples, and how the architectural features can be seen in some buildings of today. We have been finding out about the components of our blood in science and writing short explanations about each one.

The Y6 children took part in a cricket competition and represented the school brilliantly. They all tried their best and they won several of their matches.

Y6 please come into school in your PE kit on Monday and Tuesday next week.

Y5 & 6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Y5 - Please log on to MyMaths to complete the lesson and homework tasks.

Y5 and Y6

Revise your 6 times tables - test after half term, with division facts! We will have a text next week!
