

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Exmoor home learning

This week we have started planning our class twisted fairytale, *Spiderella*. In maths, we have been learning about multiples and factors. In science, year 4 have dissected a rose to study the different parts of a flowering plant and year 5 have learnt about the importance of pollination.

Home Learning

Your homework is to complete the bee kindness sheet that we have given you a photocopy of to take home. Once you have completed it, bring it into school to discuss in your PSHE lesson.

Reading

We expect everyone to be reading for at least five minutes a day and record this in their yellow reading journals.

Times table rockstars

Keep practising your times tables on times table rock stars so that you are ready for our competition!

PE

Our PE day is Wednesday until further notice.
