Tarka class learning

In English this week, we recapped our story map of the letter Miss Muffet wrote to Mother Goose and wrote a list of alternative foods that she might like to eat. Tarka class voted 'milk and cookies' as the winner... we agreed that sounds much yummiier than 'curds and whey'!

As part of the Appledore Book Festival Schools Week, [Sarah Tagholm](#) visited our Year 1 and 2 children. Her storytelling and energy were inspiring! Sarah was impressed by the questions our Key Stage 1 children asked about becoming an author. Tarka class have enjoyed being authors and illustrators to make their own books about Autumn, or anything they choose. The children have also started writing a thank you letter to Sarah.

In maths, the year 2 children have been ordering and estimating where numbers go on an empty number line and finding ten more and ten less. Year 1 children have been finding missing numbers on a number line and finding 1 more and 1 less than a given number.

In geography this week, the year 2 children taught the year 1 children everything they have already learnt about the UK. They then focused on Scotland and learnt that Edinburgh is the capital city. They had fun building famous landmarks using Lego, paper, art straws, and multilink cubes.

Home learning:

School council 2-week project

If you would like to represent your class at school council, please make a poster to explaining why you should be our class representative.

Continue finishing your posters and bring them in next week to display on the classroom window.

Year 2: practise finding 10 more or 10 less than any 2-digit number.

Year 1: practise finding 1 more and 1 less than any number up to 20.
