### **Staffing Updates**

It is with great sadness that we say goodbye this week to our Business Support Officer Mrs Challacombe.

Laura has worked for the Federation for three years and has been instrumental in setting up systems and processes to help the smooth running and efficiency of the Federation. She has worked across both schools and with the governing body in order to bring about improvements and progress.

We wish her the very best in her new job but will keep an eye out for her as she remains a parent of BT school!

### **Thank you PTFA!**

The PTFA held a very successful Colour run event which took place before the half term. We thank them for creating such a fun opportunity for the children and for raising money to help the school.

A big thank you to everyone involved in making it such a great event! A big thank you to parents and their families too, for purchasing tickets and taking part.

### **16<sup>th</sup> July - Y6 Leavers Assembly**

The Y6 Leavers assembly will take place on Thursday 16<sup>th</sup> July in the school hall at 2pm. We look forward to welcoming you for a celebration of their time here with us.

SATs are over, and the summer term is here - a time for reflection, celebration, and planning for the new academic year. While this term brings excitement, it also marks the start of major transitions, whether moving to a new school year or simply coping with the change in routine that the summer holidays bring. For many young people, this period of change can bring up feelings of anxiety and worry.

As you may already know, Lumi Nova is a digital therapeutic app designed to support children aged 7-12 years to overcome their fears and worries, whether related to transition, sleeping alone, making friends, or visiting crowded places, step by step through an intergalactic game adventure.

Using Lumi Nova during this time can be a fun and engaging way for students to prepare for the upcoming transitions and challenges of the summer, helping them learn to manage their fears related to new environments, a change in routine, or the prospect of starting a new school.

Lumi Nova is available to families for free in Devon in partnership with Children and Family Health Devon via [luminova.app/devon](https://luminova.app/devon).

for child anxiety is available for families in many parts of the UK to access immediately - visit <https://luminova.app/>
