

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

### **Lundy home learning - 05.12.25**

This week, we have been getting into the Christmas spirit in Lundy Class! The children have been learning to use relative clauses, adverbials and compound adjectives to uplevel their writing. In maths, we have moved on to learning about shape. We have been focussing on identifying and classifying angles. In R&W, we learned about Jewish meals and designed menus for use in halal restaurants. For DT, please could everyone send in a glass jar for their child's chutney by **Wednesday 10<sup>th</sup> December**.

### **Homework**

Your homework is to make a 3D Christmas decoration or gift box, for home or school, using a net to ensure it is accurate. There are lots of ideas here: [3d Geometric Shapes - Nets](#)

### **TT Rockstars**

Please keep practising as much as you can. A new competition is coming soon...

### **Reading reminder**

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
