Head of School: Karen Lintin

Exmoor home learning

This week, we have been creating prototypes of our bag using paper. In maths, we have been exploring decimals in different contexts (Y4) and the difference between two decimal numbers. In English, we have started our new sequence inspired by the book 'Leon and the place between'.

Home learning

DT materials

After Easter, we will be making our bags in DT. We can supply plain white fabric for every child, but if your child would like a particular pattern or colour, please could they bring in 1m square of the fabric they would like.

Reading

We expect everyone to be reading for at least five minutes a day and record this in their yellow reading journals.

Times Table Rock Stars

Keep practising your times tables on Times Table Rock Stars so that you are ready for our competition!

PE

Our PE day remains as Wednesday. Please ensure long hair is tied back and jewellery is removed for PE days.
