Head of School: Karen Lintin

### **Lundy home learning - 06.02.26**

This week, we have been solving problems involving mixed number and improper fractions. In English, we have been writing our independent story for Varjak Paw. The children have done a **FANTASTIC** job with this! In art, we learned about our focus artist, Peter Thorpe, and have begun to generate ideas for our own final pieces. In PSHE, we created checklists for online image sharing.

### **Homework**

Thank you year 6s for embracing the challenge of our SATs buster booklets! As we go through these each week on a Friday morning, please bring your books in each Thursday so that they are ready & you have one more evening if you forget! This week, please complete Set A - Test 3 from each booklet.

### **Times Tables**

Some children are finding it tricky to recall their tables facts, and this is making it difficult for them to solve fractions problems. Please could you help them to practise these - they could use:

- TT Rockstars
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

### **Reading reminder**

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support. I have given the logins for this app to all children who had previously lost their login.
