

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Exmoor Home Learning - 4.07.25

We have had a great week doing lots of creative lessons. In music, we practised African drumming thinking about the inter-related dimensions of music. In art, we have been researching William Morris and started to think about our designs for our Art Week project. In Maths, we have worked really hard on finding percentages of amounts.

Class notices

Please ensure your child is not bringing Pokémon cards or Yoyos into school.

Home learning:

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Year 4 English

Research an environment that you might like to write your own survival guide about, like your text how to live like a stone age hunter.

Year 5 English

Use the skills you've been learning with Mrs Hughes to generate some sentences about a topic of your choosing.
