Tarka class learning

Thank you to those of you who have been using coins at home. We continued to work with money in maths. We worked on finding different combinations of coins to pay for items that cost 10p, 20p or £1. The children also practiced counting in 2s and 10s, using money to support this.

This week we have been celebrating Children's Mental Health week. We have thought about what mental health is and how we can have good mental health. We watched a short clip of Inside Out and discussed the emotions: joy, sadness, anger, fear and disgust. Tarka class thought of a memory they have when they felt all of these emotions. We also filled a class 'Sparkle Jar' full of happy thoughts and things that made us feel proud.

Home Learning

In PE this week, the children worked on rolling in different ways. They were really good at performing log rolls (keeping body straight, arms above head) and egg rolls (curved shape, knees tucked to chest, rolling side to side), but they found the teddy bear rolls quite challenging! Please practise at home! Use this [video](#) to help.

Reading

Well done to those of you who managed to read 5 times this week! Remember, you can read your guided reading book or a book of your choice. If you are sharing a text (book/magazine/leaflet/poster/recipe/poem) and reading with an adult for 5 minutes or more, this counts as one of your 5 reads!
