Head of School: Karen Lintin

Exmoor Home Learning - 5.9.2025

We have had a fantastic week back to school, the children have settled well back into their routines. They have enjoyed our new class novel; Donut Squad and are very excited to meet the author when he comes to visit. The children have written some brilliant stories about an unbelievable Summer and in Maths have enjoyed working with larger numbers. We have also enjoyed our topic work where we are thinking about our local biosphere.

Class notices

Our new PE day is now a Thursday, please come into school wearing your PE kit.

Home learning:

School council campaigns

The home learning for this week and next week is to create a poster to encourage other children to vote for you for school council. Make sure you include some points about why you think you would be a good school council representative.

Times tables

We are in the process of updating times table rockstars, therefore once we have done this I will send all the login details home.

Reading

We are finalising our new recording system for reading at home, however, we still expect everyone to be reading at least five times a week.
