Tarka class learning

In Geography, the children enjoyed learning about maps and drawing their own map of part of our school, using symbols and a key. Thank you to those of you who drew a map of a room in your house for home learning.

Tarka class loved sharing ideas and working collaboratively to create a new robot story: "Bernard the One-Armed Robot". The year 1 children worked on orally rehearsing, writing and rereading their sentences to check they made sense. Year 2 used statements, questions and exclamations in their writing and started to make corrections when rereading.

In maths, year 1 have focussed on adding by counting on using dominoes and dice. Year 2 have been solving problems involving money.

In music, the children have used the glockenspiels to play along with the song Hands, Feet, Heart and they enjoyed learning the beginning part of Jingle Bells.

Reading:

Thank you for all your reading support at home. Just a reminder that if your child has read 5 times a week for 6 weeks they will receive a small prize at the end of term.

Home Learning Task:

For home learning this week we would like you to make a Christmas decoration to hang in the classroom or on our Christmas tree.
