

09/05/25

This week the children have continued learning about Minibeasts! We have read books such as, 'A good place', 'Superworm' and 'Mad about Minibeasts'.

Activities this week at pre-school:

- Painting butterflies - Painting on one side and printing it onto the other to make a mirrored effect.
- Making minibeasts out of junk modelling materials e.g. cardboard, plastic
- Making a home for minibeasts using different loose parts.
- Tracing minibeast pictures
- Minibeast playdough - The children made minibeasts out of playdough using plastic ears, legs etc.
- Bug hotel and Minibeast cafe role play - The children played with pretend bugs and toy food
- Small world Minibeast play - The children made their own 'Bug hotel' using the dolls house and toy bugs.

Phonics: Oral blending and segmenting

To develop oral blending and segmenting of sounds in words.

We will be playing games that involve asking the children to blend and segment sounds in word e.g. c-a-t or p-e-n.

Important information:

- Send in any WOW moments for the children or photos of experiences to pre-school@bishopstawton-primary.org
- Please can we ask parents to bring in a named sunhat and suncream. These can be kept at pre-school if more convenient.
- Please can we ask for children to wear t shirts/tops that cover the tops of their arms/back to help protect them from the sun.
- Parents/carers are invited to our upcoming stay and play on Tuesday 20th May 8.45am -10.00am.
