

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Exmoor Home Learning - 2.5.25

The Year 5 children have done some wonderful work on Excel spreadsheet, learning different formulas and functions, they then used their understanding to budget and plan for an imaginary party. In English, the children worked on the active and passive voice.

The year 4 residential was amazing, Mrs Clark and Miss Robins were so proud of all the children as they were so brave and resilient. They all had a wonderful time. There will be pictures on the website very soon!

Class notices

Please ensure your child has a closable water bottle in school at all times, especially now the weather is warming up.

Home learning:

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Year 4 times table test

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.

Multiplication Tables Check - 2025 - Timestables.co.uk

Year 5

Tell your adults at home the different formulas that you learned on excel, and if you have access to Excel spreadsheet, perhaps you can practise using them.
