

## Barum home learning

This week has been 'Arts Week'. Our focus has been abstract art inspired by the buildings of Japan. The children have worked really hard and have been amazing artists. We have practiced the skills of colour mixing, selecting the most appropriate colours to represent our chosen country, we have explored creating texture using various tools, sketching and painting. All the children have produced fantastic art work which they are excited to share with you all on Monday during our whole school gallery afternoon.

I have loved being Barum Class' teacher this year, all the children have been super learners and have made my year fun and enjoyable. We have made lots of great memories together and I look forward to seeing the children continue to thrive and grow in KS2.

There will be no homework set for this week but please try to keep up the reading over the summer holiday. I wish you all a lovely summer and look forward to seeing you all again in September.

Mrs Wise
