

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Lundy Class

In English, the children have been learning about using semi-colons to mark independent clauses in their writing. They have pretended to be a character from a Christmas advert, and have used what they have noticed to write a letter, trying hard to use different verb forms to create variety in sentence construction. The children have completed their maths unit about decimals, fractions and percentages. In art we have been creating texture using pencil crayons and pastels to develop our drawing skills in the style of David Hockney.

Home Learning

Reading

We expect everyone to be reading for at least five minutes every day. Please record your reading in your home learning book.

1. Read the text called 'Angela's Ashes' on the class blog.
 - **What sort of person is Angela? On a post-it note, write your answer and include evidence from the text that supports your thinking.**
2. Continue with the advent calendar of reading activities from last week - challenge yourself to complete the short daily reading activity.

My maths

Login and complete the lesson and then the homework task.

**Very well done to the Y5 children and the few Y6 children who did their homework last week!
It would be great to see more children completing it.**

Times Tables

Keep practising the 7 times table including division facts - we will have a short test on Monday as we didn't get round to it last week.
