

Home Learning - Week 12

This week we have continued to learn about light and dark. We have read the story of the Owl Babies. You may like to watch the story using this link <https://www.youtube.com/watch?v=TPQRiSTYFHo>

This week we have...

- Sequenced the story of Owl Babies and added key words using the sounds that we have learnt
- Learnt the sounds z,zz,qu,y and have written and read CVC words using these sounds. We learnt some more 'tricky words' (words we can't sound out) **go** and **no**.
- In Maths - We have learnt to recall number bonds to 10 using the part, part whole model.
- We have explored light and shadow and have created our own shadow puppet theatre.
- Thank you so much to everyone who worked so hard on the Nursery Rhyme Project, we have loved sharing your creations with the class.

Notes/Reminders:

Don't forget to wear your PE kit on Tuesday.

Christmas Craft Workshop - Wednesday 10thth December 2-3pm

Parents are invited to join in with some Christmas crafts and activities in Codden and Taw classes and try to complete our Elf Challenge. (Due to numbers and ratios this session is only for children who attend Pre-School on Wednesday).

We are now able to share photos on our class blog (unfortunately there has been a technical hitch with downloading photos before now), please take a look and see what we have been up to. Photos are usually added every 1-2 weeks. [Bishops Tawton Primary School - Codden Class Autumn 2025](#)

Home Learning Task:

We will soon be getting ready for Christmas, please make a Christmas decoration to hang on our class Christmas tree.

Don't forget to keep reading your guided reading book every night if possible. Well done to the children who are practising regularly and making so much progress with their reading.

Have a lovely weekend, Mrs Clark, Mrs Paul and Cheryl.
