### Saunton home learning - 26.6.26

This week in English we have been writing our own imaginary explanations for how a radio might work inspired by our focus text 'until I met Dudley'. In maths, we have been practising multiplying two-digit numbers by a one-digit number. In science, we have been identifying each step of the life cycle of a flowering plant.

### Home learning

After an assembly thinking about World Cup heroes, Mrs James shared some exciting news with the school. Thanks to the Appledore Book Festival Schools Week, **Matt Oldfield**, one of the authors of the *Ultimate Football Heroes* series will be visiting our school in September 2026! Below is a link to his website and a selection of other football themed books, you might enjoy.

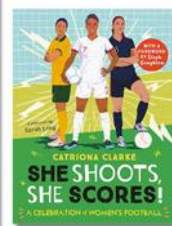

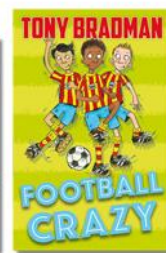

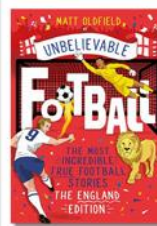

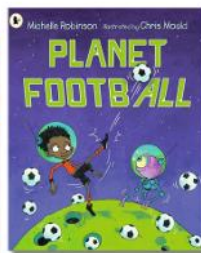

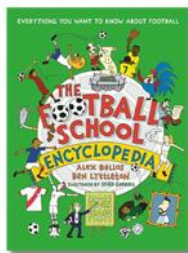

For your home learning pick your own world cup hero and research them they can be a footballer from the past or present, male or female. Find at least five facts about them to share with us.

### Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.

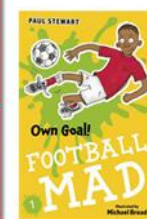

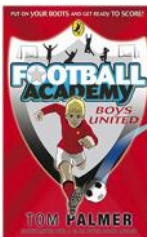

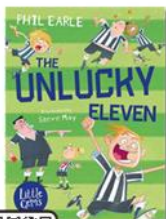

If you're into...

# Football

...READ into it!
