Tarka home learning

We have had a lovely week in Tarka class. In English, we finished our sequence on 'Sylvia and Bird', drawing and writing our own stories about friendship. The stories were fantastic!

In Maths, we recapped making two digit numbers using dienes, and used these to then find one more and one less. We used this knowledge to then find one more and one less of an amount of money.

In PE we practiced moving in different ways, we learnt how to balance on tiptoes, bounce, skip and gallop. In Art, we explored different types of leaves and practiced carefully sketching them. Our Science this week was learning and identifying different types of common plants, we then went for a walk around the school to see if we could spot any.

Phonics sounds

Our focus for this week was different spellings of the same phoneme (sound) - **ph/gh** (as in fin, photo and tough) and **ay/a-e/a** (as in day, make and baby).

Home learning

Your homework is to complete the bee kindness sheet that we have given you a photocopy of to take home. Once you have completed it, bring it into school to discuss in your PSHE lesson.

Reading

We expect everyone to be reading for a least five minutes a day.
